### ADDITIONAL COSTS

Students should be aware that there may be other costs in addition to their tuition fees. Some of the potential costs you may need to consider are provided in the table below, but please note that this is not an exhaustive list.

Item	Cost
<b>Accommodation and living costs</b> (The School does not provide its own accommodation but can offer advice and support about finding somewhere to live: <a href="https://www.cssd.ac.uk/content/accommodation-support">https://www.cssd.ac.uk/content/accommodation-support</a> ).	Costs vary, but students can expect to pay between £150-£210 per week in rent (depending on location, accommodation/room type, and, in the case of halls of residence, whether they are catered).  Students should additionally budget for a further £150-£190 in living costs per week (including utilities and phone/broadband bills, food, entertainment, and insurance). Information about managing your money and budgeting, and a guide to living costs in London, can be found here: <a href="https://www.cssd.ac.uk/Life-at-Central/Student-Support/managing-your-finances">https://www.cssd.ac.uk/Life-at-Central/Student-Support/managing-your-finances</a>
<b>Travel to and from Central</b>	Costs vary depending on the form of transport and the distance travelled, though we recommend that students budget for approximately £30 per week.
<b>Travel to and from offsite placements/ projects/ teaching sites</b>	There may be periods in the academic year when teaching or project/placement activity takes place offsite.  Costs vary depending on the form of transport and the distance travelled.
<b>Specific programme materials</b>	Costs may vary depending on the kinds of projects which are organised each year. It may be possible to find suitable used, second-hand or short-term loanable materials to meet programme needs.
