Prop Making: An Introduction

## PROFILE

---

After gaining a first-class honours degree in BA Prop Making at RCSSD, India went on to work in the design team as Head of Props for the immersive experience company 'The Magic of Things'. India has created interactive props for immersive & experiential hospitality venues such as The Cauldron, The Wands & Wizard Exploratorium, and Superheroes Bar in London, Edinburgh, Dublin and New York, as well as designing venue interiors and overseeing installations.

India is currently working as a freelance prop maker, working across theatre, film, TV & decorative arts/interiors as well as private commissions.
